RE: Twenty-Third Supplemental Indenture Authorizing University of Connecticut General Obligation Bonds

RECOMMENDATION:

That the Board of Trustees approves the Twenty-Third Supplemental Indenture, substantially in the form attached hereto, authorizing University of Connecticut General Obligation Bonds secured by the State of Connecticut’s (the “State”) Debt Service Commitment in an amount not to exceed $295,500,000 plus costs of issuance, plus amounts carried forward from the Twenty-second Supplemental Indenture.

BACKGROUND:

The University of Connecticut’s (the “University”) General Obligation Bonds authorized by the UCONN 2000 Act (Sections 10a-109a to 10a-109y, inclusive, of the Connecticut General Statutes, as amended) are secured by a Master Indenture of Trust by and between the University and U.S. Bank National Association, dated as of November 1, 1995, as amended (the “Master Indenture”) which provides that each new issue of bonds be issued pursuant to a supplemental indenture. For bonds secured by the State Debt Service Commitment, the law sets maximum annual amounts that the University, through its Board of Trustees, may issue.

The Twenty-third Supplemental Indenture authorizes the appropriations for and issuance of bonds in the maximum amount of $295,500,000 plus costs of issuance to finance fiscal year 2018 Phase III projects, plus amounts carried forward from the Twenty-second Supplemental Indenture. Phase III includes projects at Storrs, the regional campuses and the UConn Health Center.
The Twenty-third Supplemental Indenture also authorizes that the exact amount of the bonds be determined at the time of issuance depending on cash expenditure requirements for twelve months or less following issuance. Appendix A of the Twenty-third Supplemental Indenture lists the UCONN 2000 projects that may be financed by the bonds (excluding the projects financed by the carry forward amounts).

This Supplemental Indenture also amends the Master Indenture, which is now twenty-two years old, for certain updates and clarifications consistent with current market practice and regulations. The changes include deleting certain limitations previously placed on lease-financing any land or building outside the Storrs campus; updating the continuing disclosure process consistent with regulatory and market changes; modifying the notice of defeasance provisions to allow electronic notices to suffice and eliminating the necessity to publish in a newspaper; and making certain delegations concerning disclosure to the Executive Vice President for Administration and Chief Financial Officer; and provides that the renewal and replacement fund created under the Master Indenture is held by the trustee bank and spent at the direction of the University.

This recommendation, if approved, will serve as the Board of Trustees’ resolution for approval of the Twenty-third Supplemental Indenture and for the series of bonds to be issued in accordance therewith. The resolution, with supplemental information, as appropriate, will be sent to the Governor for approval. If the Governor chooses not to exercise his statutory authority to approve or disapprove the resolution within 30 days of its submission, it will be deemed approved in accordance with the Act.

Further, the University covenants that it will not take any action or fail to take any action that would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code. In fulfilling the covenants set forth in this Section, the University hereby agrees to instruct all parties acting by or on behalf of the University or in any manner with respect to the Bonds regarding all acts necessary to satisfy and fulfill such covenants.

**ARTICLE V**

other purpose shall mature not later than thirty (30) years from their dated date); provisions for either
serial or term bonds, sinking fund requirements, if any; due dates of interest; denominations; the terms,
if any, of optional or extraordinary redemption, with or without premium; time or times of sale (subject
to the cash flow requirements of the University to cover the cost of the UCONN 2000 Infrastructure
Improvement Program) and manner of sale; interest rates and limitations with respect thereto;
provisions for receipt and deposit or investment of the good faith deposit pending delivery; and such
other terms and conditions of the Bonds and of the issuance and sale thereof as the Treasurer may
determine to be in the best interests of the State and University. The Treasurer shall file a Certificate
of Determination with the University and Secretary of the State Bond Commission on or before the
date of delivery of the Bonds setting forth the details and particulars of the Bonds determined by her
in accordance with this delegation. Such Certificate of Determination shall be delivered to the Trustee
on or before the date of closing of the Bonds.

(B) The Treasurer is also delegated, pursuant to the Act and, in accordance with
Section 4(a)(5) of the Act pursuant to certain provisions of Section 3-20 of the General Statutes of the
State of Connecticut, as amended, the authority to enter into agreements in consultation with the
University (through an Authorized Officer) with respect to the issuance and sale of the Bonds,
including financial advisory agreements, bond purchase agreements, tax regulatory agreements, and
agreements with respect to security for the Bonds.

(C) The Authorized Officer for Sale Purposes or the Executive Vice President for
Administration and Chief Financial Officer is hereby delegated and the Treasurer is further delegated,
pursuant to the Act, the authority to approve the final terms of and publication and distribution of the
Official Statement in connection with the offering and sale of the Bonds and to sign and certify that
the Preliminary Official Statement is an official statement that the University deems final as of its date
for purposes of Rule 15c-2-12 of the Securities and Exchange Commission ("Rule 15c-2-12"), except
for certain permitted omissions described in paragraph (b)(1) of Rule 15c-2-12. The mailing,
publishing and distribution of the Preliminary Official Statement is hereby approved. The Treasurer,
in conjunction with the Authorized Officer for Sale Purposes or the Executive Vice President for
Administration and Chief Financial Officer, is further authorized and directed to sign any amendment
or supplement or certificate with respect to the Official Statement or the Preliminary Official Statement
that may, in the Treasurer's judgment, be necessary or appropriate on or before the date of delivery of
the Bonds.

(D) Subsequent to adoption of the resolution of the Board of Trustees authorizing
the Twenty-third Supplemental Indenture, the Authorized Officer for Sale Purposes is hereby
authorized to make such changes, insertions, deletions or provisions to the Twenty-third Supplemental
Indenture, not materially inconsistent with the intent of the provisions of the Twenty-third
Supplemental Indenture as so adopted as may be necessary or appropriate to respond to the requirements of the Governor, the Treasurer, the Underwriters of the Bonds, the Bond Insurer, if any, or the rating agencies with respect to the Twenty-third Supplemental Indenture as evidenced by approval of the Certificate of Determination and may rely on a Counsel's Opinion for advice with respect to the foregoing. The maximum principal amount of such debt with respect to the Project is not expected to exceed $295,500,000. This declaration of official intent is a declaration of official intent made pursuant to Section 1.150-2 of the Regulations.
